

Camp Fernwood, a residential summer camp in Maine, is seeking highly motivated instructors to teach woodworking from June 20th to August 14th 2019.

Here you will be teaching girls ages 8-15. The successful candidate will be joining 150 other staff members from all over the world, where he or she will be residing in an all girls, seven-week program filled with many different activities.

Our woodworking program works to encourage planning, creativity, responsibility and cooperation eventually leading to independent work with confidence. Class size varies from 3-7 kids per activity period supervised by at least 2 woodworking counselors. In our shop, we have a table saw, scroll saw, drill press, hand power tools, hand tools and a chop saw. Popular projects include, but are not limited to: signs, boxes/containers, mirrors, bookshelf, birdhouse, small table or chair, necklace pendants, and wooden postcards.

Benefits include; living and working on a beautiful lake in Maine with 150 intelligent, diverse, and outgoing individuals (who we hope will become more like family!), teaching experience, competitive salary, workers compensation, internship and college credit, visa sponsorship for international staff, excellent time off with available transportation to help you and new friends explore the beautiful state of Maine, free 24-hour onsite healthcare, access to most of the activities camp offers during your free time and so much more.

Interested candidates that have questions or comments or wish to apply online may do so at www.campfernwood.com in the staff section or contact Ellyn Black directly at 203-464-2184.

Thanks so much in advance,

Ellyn Black
